INTRAMURAL NIAID RESEARCH OPPORTUNITIES

What is INRO?

INRO provides enthusiastic candidates with the opportunity to visit the NIH Main Campus in Bethesda, Maryland, to engage with leading experts in **allergic, immunologic, and infectious diseases**, and to learn more about the exciting research being conducted in the National Institute of Allergy and Infectious Diseases (NIAID). Candidates selected for the visit will interview with principal investigators and may be offered a **postbaccalaureate (postbac) position** in an NIAID laboratory.

Through INRO, NIAID sponsors postbac trainees from **U.S. populations underrepresented** in the biomedical sciences and those dedicated to promoting **equity, diversity, and inclusion** in the biomedical workforce.

NIAID Laboratory Locations

Rocky Mountain Laboratories
Hamilton, Montana

NIH Main Campus,
Bethesda, Maryland
(other locations: Baltimore,
Frederick, Rockville)
